NIGHT WORK MONDAY-WEDNESDAY, OCT. 22-24: From 8 p.m.-5 a.m., one lane of southbound I-25 will be **CLOSED** from south of the I-25/Gibson interchange to the I-25 Rio Bravo Interchange so that crews can install overhead signs.

NOTE: There are traffic restrictions and lane reductions on northbound and southbound Broadway near the Rio Bravo intersection. Also, there is no access to Electric Avenue from southbound Broadway.

SPEED LIMITS ARE REDUCED IN THE CONSTRUCTION ZONE.

NOTE: The multi-use path is closed about 400 feet west of the intersection of Broadway and Rio Bravo for safety for the duration of the project.

Motorists should expect delays, particularly during morning and afternoon commutes or nighttime work, obey reduced speeds in the construction zone and watch for construction signs
