

Construction Update: April 23-29, 2018

NOTE: All work is scheduled weather permitting and is subject to change without notice.

Regular construction hours are **Monday-Sunday 7 a.m.-5 p.m.** although crews may work evenings if needed.

Northbound I-25 -- traffic will be shifted to the right lane and shoulder throughout the construction zone

Southbound I-25 – a new Southbound I-25 off-ramp at Rio Bravo is open north of the previous off-ramp location. Use caution and watch for signage. Otherwise, traffic will remain on the existing lanes north of Rio Bravo, be shifted to the inside lane and shoulder south of Rio Bravo, then be shifted back to the outside lane and shoulder farther south

Eastbound Rio Bravo – Is on new lanes between Prince and I-25. There is a dedicated left turn lane for eastbound traffic to turn north on Broadway.

Westbound Rio Bravo – Is on new lanes between Prince and I-25. There is a dedicated left turn lane for westbound traffic to turn south on Broadway.

NOTE: *There are also traffic restrictions and lane reductions on northbound and southbound Broadway near the Rio Bravo intersection.*

Electric Avenue – There is no access to Electric Avenue from southbound Broadway

SPEED LIMITS ARE REDUCED IN THE CONSTRUCTION ZONE.

NOTE: The multi-use path is closed about 400 feet west of the intersection of Broadway and Rio Bravo for safety for the duration of the project.

Motorists should expect delays, particularly during morning and afternoon commutes or nighttime work, obey reduced speeds in the construction zone and watch for construction signs.
