

Construction Update: Week of August 14-20, 2017

NOTE: All work is scheduled weather permitting and is subject to change without notice.

Regular construction hours are **Monday-Sunday 7 a.m.-5 p.m.** although crews may work evenings if needed.

If you do not wish to receive future updates, please reply with "delete" in the subject line.

Rio Bravo from University to I-25 – Is restricted to one lane in each direction (eastbound and westbound). Motorists can enter and exit I-25 at Rio Bravo.

Rio Bravo from I-25 to Broadway – Is restricted to two lanes in each direction (eastbound and westbound). Motorists can turn southbound and northbound onto Broadway from Rio Bravo.

Rio Bravo at South Diversion Channel Bridge – Is restricted to one lane in each direction (eastbound and westbound).

Broadway Blvd. – Is restricted to one through lane in each direction (northbound and southbound) north and south of Rio Bravo and there is also work on the shoulders. Motorists can turn eastbound and westbound on Rio Bravo, however both northbound and southbound traffic in the left lane MUST turn left at the intersection of Broadway and Rio Bravo.

Electric Avenue – There is no access to Electric Avenue from southbound Broadway.

NOTE: The multi-use path is closed east of Chavez Loop Road (Prince Street) for safety for the duration of the project.

Motorists should expect delays, particularly during morning and afternoon commutes.
