

## **CHANGES Planned For Night Work on Rio Bravo Blvd. & I-25 Oct. 2-13, 2017**

*NOTE: All work is scheduled weather permitting and is subject to change without notice.*

**Due to the recent storms, scheduled night work has been changed this week and next week:**

**Monday, Oct. 2 through Wednesday, Oct. 4 from 8:30 p.m.-5 a.m. – Crews will continue installing temporary shoring on Rio Bravo Blvd. at the North Diversion Channel. The **right hand lane** (closest to the curb) **on westbound Rio Bravo will be closed**, with only one lane of traffic open for motorists traveling westbound.**

Beginning **Thursday, Oct. 5** and lasting through **Friday, October 13**, from 9 p.m. each evening to 5 a.m. the next morning, the **left lane on northbound I-25 will be closed near the northbound I-25 off-ramp**, with only one lane open on northbound I-25, so that crews can install temporary shoring.

**Motorists traveling westbound on Rio Bravo should use caution and allow themselves extra time to reach their destination during this construction.**
