

Construction Update:

Night Work Planned for I-25 Week of May 7-11, 2018

NOTE: All work is scheduled weather permitting and is subject to change without notice.

From **Tuesday, May 8** through **Friday, May 11**, **northbound I-25 will have various lane closures at the Rio Bravo interchange** from 8 p.m.-5 a.m. each evening. These closures are needed to allow the contractor to prepare for an upcoming traffic switch.

As of **Friday evening, May 11**, **northbound I-25 will have only two lanes open (one lane will be closed) at the Rio Bravo interchange.**

Motorists traveling in the area should expect delays and give themselves extra time to reach their destinations.
